

Floor stand for Era 300

This Flexson Floor Stand is built to hold your Sonos Era 300 speaker at the ideal listening height. When upright, this stand has room to accommodate both the power and network cable if required, with neat routing for both at the base.

Manufactured in an elegant design from High Grade Steel with aluminum extrusion column the Flexson ERA300 Floor Stand provides a solid platform for holding your ERA 300 speaker at the ideal height. Like all Flexson products, this Floor Stand for the Sonos Era 300 is precision engineered, and quick and easy to assemble.

- Built at optimum listening height
- Quick and easy assembly
- Designed to colour match your Sonos speaker
- Integrated cable track for neat cable management
- Weighted base for enhanced stability
- Crafted specifically to support the Sonos Era 300 speaker
- Supplied with Sound Isolating feet for hard floors or steel spikes for carpeted floors
